Ben is an unbelievable talented young man ! We have had nothing but positive feedback from his gig here on Sunday. He was making it very hard for hard for the guests to leave while he playing. With one lady even cancelling her taxi just so she could stay to listen to him. We would be more than happy to see Ben perform back here at The Royal Motor Yacht Club. Thank you for providing such a great entertainer !

House Party – Justin

Feedback for Ben on Saturday night is that he was excellent with a great play list, excellent playing and singing and a good guy. He played all the songs we all liked and as the night progressed he had the party rocking with everyone dancing on his playing stage. He must have thought it was Christmas with a dozen 21 years old good looking chicks dancing around him. I would strongly recommend him.

Please pass this on and if anyone is looking for a muso I will recommend him.

Russell Kerrison – General Manager at “Three Way Tapas”

Just wanted to let you know the young guy who played tonight was EXCEPTIONAL!!!!!! By far the best young artist we’ve had. We’d happily have him bak anytime and would love him for any Saturday nights he’s not booked!!!!!!

Thank you Ben you were great and certainly contributed to our amazing day. You are a mature young man and have handled yourself very professionally, we thank you for that and we wish you well for your future endeavours. We will have no reservations in recommending you to our friends and work colleagues. You are destined for big things!

Community Radio – Colin Briscoe

I have seen some of your songs on your Reverb Nation site. You have some excellent songs. If you are performing anywhere please let me know.

You are very welcome to come into the studio at 2RRR to play any of your music. The program is more towards blues and roots but would be terrific to have a brief interview and hear your work.

House Party - Joanne Mccudden

I heard Ben busking in Terrigal and thought he sounded great so I enquired about him performing at a house party. So glad that I did as he ended up being the highlight of the party. Playing to a group of 25 adults and 15 kids for almost 4 hours, Ben Impressed everyone with his voice. He had everyone thoroughly entertained (kids mesmerized) with a vast repertoire of music catering to everyone's style. Ben provided an affordable way to entertain the group - he set up and packed up without ant fuss and just played.. I don't think he even took a break. I am looking forward to the next time we can enjoy Ben's music.

Lunch – Caryn Cobryne

Thanks for making our Easter Sunday such a great day. People were still commenting on your performance into the evening! Your repertoire was so wide even out 83 year old Dad got to hear some of his faves. You're really talented. Thanks again

Melinda Patterson – Patron at “Summerland Sporties”

Amazing show tonight, Ben! You're really talented! I can see why Carnival Cruise ships snapped you up!!

Cristian Burgos – Patron at “Three Way Tapas”

Digging your old music soul, mixed with your youthful talent bro. Nothing beats being able to have a drink to someone who knows good music and does it justice. Also showed how down to earth and humble you are when you joined us at the table! Hats off to your parents cause they don't make kids like you!

Would've stayed longer if I didn't have to babysit
You super talented and I have every intention to see you play again at another gig. I love combining my two passions, music and alcohol haha

Hi mate,
I've just discovered your music while looking at Slim Dusty tracks on YouTube. I'm exceptionally heartened to note someone else in my age group with respect and appreciation for good music!
I'm also impressed by your apparent ability to turn your hand at any music genre.
